Addressee: Member States, United Nations System, and country teams

Paragraph #65 Session #13 (2014)

Full Text

The Permanent Forum urges all Member States and United Nations agencies and country teams to initiate indigenous human rights training and education programmes in their institutions and activities, in particular the existing and emerging international jurisprudence on the human rights and standards contained in the Declaration and their application and relevance at the national and local levels.

Area of Work

Cooperation, Human Rights
