Addressee: Commission on Sustainable Development, PFII

Paragraph #30 Session #2 (2003)

Full Text

The Forum takes note of the adoption by the Commission on Sustainable Development of a substantive agenda for the next several years, and decides to prepare inputs to the Commission according to the calendar adopted by the Commission. In preparation for the first cluster for 2004-2005 on water, sanitation and human settlements, the Forum recommends that its secretariat prepare, without financial implications, a brief draft position paper and to submit it to the Forum at its third session.

Area of Work

Economic and Social Development
