Addressee: Millennium Ecosystem Assessment

Paragraph #79 Session #3 (2004)

Full Text

The Forum recommends that the findings of the millennium ecosystem assessment and its recommendations concerning the environment be submitted to it at its fourth session, and that the participation of indigenous peoples be taken into account by the assessment in the review of its reports, analysis and findings.

Comments

The Millennium Ecosystem Assessment has submitted its findings in the form of a Conference Room Paper for the Fourth Session and will be making a presentation to the Permanent Forum
