Paragraph #131 Session #9 (2010)

Full Text

The Permanent Forum reiterates its concern about conservation efforts, including the designation of national parks, biosphere reserves and world heritage sites, which frequently lead to the displacement of indigenous peoples from their traditional lands and territories. In this regard, the Permanent Forum requests that a member of the Forum attend the thirty-fourth session of the UNESCO World Heritage Committee, to be held in Brasilia, Brazil, in August 2010.
