Addressee: UN systems

Paragraph #49 Session #2 (2003)

Full Text

The Forum recommends that the United Nations system urge all States to ratify the Kyoto Protocol, the Bio-Safety Protocol, the Stockholm Convention on Persistent Organic Pollutants (the Conference of Parties to the Stockholm Convention should establish mechanisms for indigenous peoples to maintain an active presence at its meeting), the Rotterdam Convention on Hazardous Chemicals, the Basel Convention on the Control of the Transboundary Movement of Hazardous Wastes and Their Disposal and its 1995 prohibition on the export of hazardous waste from the countries of the Organization for Economic Cooperation and Development to non-member countries, and 1996 Protocol to the London Convention on marine waste deposits etc.
