Paragraph #37 Session #16 (2017)

Full Text

The Permanent Forum calls upon Member States to start the work, in the context of the United Nations Convention on the Law of the Sea, of creating a place and a voice for indigenous peoples in the governance of the world's oceans. This effort involves the participation of indigenous peoples in all aspects of the work and decision-making regarding the Convention on the Law of the Sea, including the environmental provisions and the delimitation of the continental shelf. It may also include establishing advisory committees of indigenous peoples to guide the work under the Convention, as has been done under the Convention on Biological Diversity.
