Paragraph #36 Session #14 (2015)

Full Text

The Permanent Forum is concerned that legal obligations and commitments and indigenous peoples' treaties, agreements and other constructive arrangements with States are routinely denied and violated by States. With regard to interventions by indigenous peoples on unresolved land rights, including the Six Nations of the Grand River and others on which the Forum has made specific recommendations in the past, the Forum calls upon States to fairly and equitably redress the long-standing unresolved land rights issues through good-faith negotiations, consistent with the United Nations Declaration and without extinguishing indigenous peoples' land rights.
