Paragraph #90 Session #3 (2004)

Full Text

The Forum urges WHO to attend its sessions, and encourages WHO to submit a report to it at its fourth session, responding to recommendations made by the Forum at its first to third sessions. The Forum regrets that WHO was unable to respond to its recommendations made at its second session, in particular those contained in chapter I, section B, paragraphs 16, 63-64, 68, 74, 79 and 82.
