Paragraph #64 Session #2 (2003)

Full Text

The Forum recommends that WHO, the United Nations Development Programme, the United Nations Children's Fund, and the United Nations Population Fund convene a workshop on indigenous health, with the goal of addressing a system-wide strategy to address the health needs of indigenous peoples and setting out the terms of reference for a study on the health needs of indigenous peoples, with particular emphasis on indigenous children and women including infant mortality, reproductive rights, sterilization, domestic abuse and addiction and the collection of data relating to these issues. The Forum recommends that its focal point and a representative of the Indigenous Peoples' Caucus on Health be invited to attend and be provided the means to participate.
