Paragraph #42 Session #16 (2017)

Full Text

The Permanent Forum recommends that the Joint United Nations Programme on HIV/AIDS, in collaboration with the United Nations Population Fund (UNFPA) and the Inter-Agency Support Group on Indigenous Peoples' Issues, sponsor an expert group meeting on HIV/AIDS by 2019, which would include the full and effective participation of indigenous peoples living with and affected by HIV/AIDS, to analyse the sociocultural and economic determinants of health for HIV/AIDS prevention, care and treatment in indigenous communities, with the Forum's collaboration, in order to ensure the realization of target 3.3 of the Sustainable Development Goals.
