Paragraph #44 Session #18 (2019)

Full Text

The Permanent Forum repeats its call for an end to the criminalization of indigenous midwives as expressed in the recommendations contained in paragraphs 49 and 50 of its report on its seventeenth session (E/2018/43-E/C.19/2018/11) and urges States to respect the right of indigenous peoples to maintain their traditional health practices in accordance with article 24 of the Declaration.

Area of Work

Health, Indigenous Women and Girls
