Addressee: Plurinational State of Bolivia

Paragraph #61 Session #9 (2010)

Full Text

The Permanent Forum recommends that the Plurinational State of Bolivia should consider implementing the resolutions of the National Agrarian Reform Institute regarding the revocation of land titles on grounds of servitude in all matters affecting not only the freedom of individuals, but also the recovery of land for communities, thereby preventing legal proceedings from stalling a reform process that defends, promotes and protects human rights.
