Addressee: UN Agencies Funds and Programmes - UN System

Paragraph #52 Session #3 (2004)

Full Text

On the basis of information received at its third session, the Forum expresses its deep concern about the alleged atrocities and human rights violations committed against the indigenous peoples concerned in Colombia, the Sudan, Ethiopia and Indonesia, notably West Papua and Maluku, and atrocities committed against the indigenous peoples in other parts of the world. It urges the entire United Nations system, including the relevant bodies, to take appropriate action.`

Area of Work

Human rights
