Addressee: UN treaty bodies and mechanisms, Universal Periodic Review process

Paragraph #34 Session #14 (2015)

Full Text

The Permanent Forum recommends that United Nations treaty bodies and mechanisms, as well as the universal periodic review process, scrutinize the reports and human rights records of States, so as to effectively address rights ritualism. This should include ensuring that States' claims are systematically compared with the concerns raised by indigenous peoples and civil society.

Area of Work

Human rights
