Paragraph #76 Session #16 (2017)

Full Text

The Permanent Forum recalls paragraph 41 in its report on its twelfth session (E/2013/43-E/C.19/2013/25) and reaffirms that States should establish a monitoring mechanism to address violence against indigenous peoples, including assassinations, assassination attempts, rapes and other intimidation and persecution against indigenous human rights defenders. Furthermore, with regard to article 22 of the United Nations Declaration on the Rights of Indigenous Peoples, the Forum recommends that such monitoring mechanisms address the issue of missing and murdered indigenous women, and that measures be taken to ensure the full protection of indigenous women against all forms of violence.

Area of Work

Human rights
