**Paragraph #133 Session #9 (2010)**

### **Full Text**

The Permanent Forum recommends that adequate and sustained funding and other support be provided to the aforementioned projects of UNDP and ILO and that they be replicated in different regions of the world.

### **Comments**

ILO reports (2011): With the support from the Government of Spain, Denmark, Norway and the European Commission (see Part 2) the ILO sustains its programme of work on indigenous peoples in 22 countries across Africa, Asia and Latin America and Caribbean. The ILO remains committed to indigenous peoples' issues and plans to scale up its activities in all these regions, provided resources are mobilised (see also comments under Recommendation No. 39 below) (Report to UNPFII Tenth Session by ILO:
