Paragraph #118 Session #18 (2019)

Full Text

The Permanent Forum acknowledges the signing of the peace accord in Colombia and the efforts to implement it. The Forum takes note of Colombia's statement at the eighteenth session of the Forum on the need to protect the lives and integrity of indigenous human rights defenders. The Forum is, however, deeply concerned that killings of indigenous leaders have been increasing. The Forum urges the Government of Colombia to intensify its efforts to provide effective measures to prevent further attacks and to ensure peace and security for indigenous human right defenders and leaders.
