Paragraph #054 (Session 9 Appendix) **Session #8** (2009)

Full Text

The Permanent Forum urges UNDP to further strengthen the right to self-determination of indigenous peoples by choosing indigenous peoples' organizations as their implementing partners and responsible parties in their projects involving indigenous peoples, especially those with established track records in project implementation. As a corollary to the foregoing, government agencies created to promote and protect the rights and interests of indigenous peoples should be preferred as implementing partners in UNDP programming on indigenous peoples' issues so that they can effectively perform their mandate
