**Paragraph #26 Session #12 (2013)**

### **Full Text**

The Permanent Forum welcomes the lively and analytical dialogue that emerged from the half-day discussion on the African region and encourages the United Nations Development Group to facilitate further dialogue between States and indigenous peoples at the African continental level to foster better understanding of the United Nations Declaration on the Rights of Indigenous Peoples and the commitments to indigenous peoples that Member States have made. Within this framework, capacity-building at the national level should be enhanced.
