Paragraph #20 Session #15 (2016)

Full Text

The Permanent Forum welcomes the initiation of a national dialogue to discuss and achieve key constitutional reforms in the field of justice in Guatemala, and encourages the recognition of indigenous justice systems. The Forum urges Guatemala and the private sector, in addition to the World Bank and other international economic institutions, to acknowledge that serious efforts require structural economic and social reforms rather than rapid growth of gross domestic product in order to reverse widespread and growing poverty among the indigenous peoples of Guatemala. Such crucial reforms must ensure more equitable distribution and access to traditional lands for the indigenous peoples of Guatemala, consistent with the rights affirmed in the United Nations Declaration, and on the basis of respect for and legal recognition of their collective rights, including their self-determined development. Furthermore, the Forum calls upon Guatemala to reinforce the effective and full implementation of the Peace Accords.
