Paragraph #19 Session #2 (2003)

Full Text

The Forum, taking into account the large number of incarcerated indigenous children and youth and the need to assist them in reintegrating into society as soon as possible through socio-educational measures, recommends that the Economic and Social Council urge Governments to ensure greater protection and humane treatment of those children and youth while in prison and youth detention centres, and to provide them with socio-educational measures for their rehabilitation.

Area of Work

Indigenous Children and Youth
