Paragraph #93 Session #11 (2012)

Full Text

The Permanent Forum notes that indigenous youth in the region are often forced to leave their home and lands to receive an education, which can pose an obstacle to the right to education. The Permanent Forum urges States in Central and Eastern Europe, the Russian Federation, Central Asia and Transcaucasia to take measures to ensure the enjoyment of the right to education by indigenous youth. The Permanent Forum encourages States of the region to facilitate the development of indigenous peoples' self-administration, the development of their inner potential and human resources, forming parliaments following the example of the Sami people; and decent representation of the small-numbered indigenous peoples in the bodies of legislative and executive power on all levels.
