The Forum endorses the report and recommendations of the three-day international expert group meeting on the theme “Combating violence against indigenous women and girls: article 22 of the United Nations Declaration on the Rights of Indigenous Peoples” (E/C.19/2012/6). The Forum requests that the report form part of the official documentation of the Commission on the Status of Women at its fifty-seventh session, to be held in 2013.

Comments

Even if the report on the EGM on the theme “Combating violence against indigenous women and girls: article 22 of the United Nations Declaration on the Rights of Indigenous Peoples” (E/C.19/2012/6) served as a reference for the indigenous women who participated in the CSW57, the report was not part of the official documentation.
