Paragraph #55 Session #16 (2017)

Full Text

The Permanent Forum has, in recent years, expressed considerable concern regarding the situation of indigenous youth and the lack of disaggregated data thereon. In 2016, the Forum decided to include a recurring item on indigenous youth in the agenda of its annual sessions and has issued several youth-specific recommendations. The Forum welcomes the progress made and encourages further action by indigenous organizations and youth, as well as by members of the United Nations Inter-Agency Network on Youth Development and the Inter-Agency Support Group on Indigenous Peoples' Issues, in implementing those recommendations.
