Addressee: SPFII

Paragraph #152 Session #5 (2006)

Full Text

The Permanent Forum considers continued analysis of national reports on the Millennium Development Goals vital in order to ensure that they take into account the realization of the rights of indigenous peoples and indigenous perspectives.

Comments

SPFII reviews of 10 MDG reports from Latin America were conducted, made available to UNPFII, and placed on the network.

Area of Work

MDGs, Cooperation
