Addressee: Member States , UN system, SPFII, Indigenous Organisations and NGOs.

Paragraph #104 Session #3 (2004)

Full Text

The Forum takes note with satisfaction of the enhanced contributions of the United Nations system in its work, and recommends that the United Nations system, Governments, indigenous and other organizations further assist in the implementation and monitoring of the Forum's recommendations and report to the Forum at its annual sessions. The Forum notes with appreciation the database of recommendations and their implementation status, as well as indicative time frames prepared by its secretariat, and recommends that the secretariat further develop this as a useful tool.

Comments

Governments: The Governments of Canada, Guatemala, Finland, Mexico, and Norway submitted reports to the Permanent Forum on the status of implementation of the Forum's recommendations.

SPFII: The Secretariat of the Permanent Forum has developed this database and utilizes it actively to monitor the implementation of the Forum's recommendations.
