Recommendations Database**

Addressee: IASG

Paragraph #144 Session #5 (2006)

Full Text

The Permanent Forum and the Inter-Agency Support Group on Indigenous Issues should continue to reflect on how best to ensure that the recommendations of the Forum are implemented by United Nations bodies and organizations, including proposals on how the recommendations should be packaged and information that indigenous peoples can use to influence decisions within the United Nations system.

Comments

SPFII brought this recommendation to the attention of IASG.
