**Paragraph #150 Session #5 (2006)**

### **Full Text**

The Permanent Forum recognizes the need to better consolidate and coordinate activities and capacity-building regarding indigenous issues at the country and regional levels and recommends that UNDP and the United Nations Development Group inform United Nations resident coordinators, regional directors and United Nations country teams, and establish inter-agency coordination mechanisms at those levels.

### **Comments**

The Coordinator of the Second Decade promoted, through the United Nations Development Group, coordination of field action and the dissemination of the Decade Programme of Action. A Task Team on Indigenous Issues has been established by the United Nations Development Group since fall 2006.
