The Forum recommends strengthening the mechanisms for collaboration with United Nations agencies and Governments, and monitoring compliance with and the implementation of its recommendations made to United Nations agencies and Governments.

Comments

The Inter-Agency Support Group (IASG) was established to support and promote the mandate of the UN Permanent Forum on Indigenous Issues within the United Nations system. Its mandate was later expanded to include support indigenous related mandates throughout the inter-governmental system. It allows the UN system and other intergovernmental organizations to analyze recommendations made by the Forum with a view to facilitating comprehensive and coordinated responses to the UNPFII.
