Full Text

The Permanent Forum welcomes national engagement of the Expert Mechanism on the Rights of Indigenous Peoples with Brazil, Finland, Mexico, New Zealand and Sweden on projects related to, among others, the development of national action plans for the implementation of indigenous peoples' rights, processes related to land demarcation and land titling, and facilitating the repatriation of sacred ceremonial objects. The Forum highlights the agreement facilitated by the Expert Mechanism among the Museum of World Culture in Sweden, the Yaqui people in Mexico and the United States of America on the repatriation of the Maaso Kova as a commendable best practice. The Forum encourages States and indigenous peoples to build on the successful country engagement practices and avail themselves of the Expert Mechanism's unique analytical capacity and potential to support dialogue between indigenous peoples and Governments.
