Paragraph #30 Session #20 (2021)

Full Text

The Permanent Forum recommends that all indigenous peoples make use, whenever appropriate, of the early warning measures and urgent procedures established by the Committee on the Elimination of Racial Discrimination. These early warning measures and procedures are aimed at preventing existing situations from escalating into conflicts and respond to problems requiring immediate attention to prevent or limit the scale or number of serious violations of the International Convention on the Elimination of All Forms of Racial Discrimination. The Forum also recommends that the Committee's Working Group on Early Warning and Urgent Action Procedures urgently address the serious human rights violations and the criminalization of indigenous peoples in the Amazon in order for the Committee to take effective measures.
