**Paragraph #40 Session #20 (2021)**

## **Full Text**

The Permanent Forum recommends that the United Nations and United Nations system organizations ensure the effective participation of indigenous peoples at the Food Systems Summit in 2021, as well as at all the related processes conducted in advance thereof and thereafter, including the pre-summit to be held in Italy from 19 to 21 July 2021. The food systems of indigenous peoples support sustainability and care for the environment and generate healthy foods important for the eradication of hunger and the achievement of the Goals.

## **Comments**
