Paragraph #47 Session #20 (2021)

Full Text

Indigenous peoples should be free to continue and enhance the participation of their institutions in various processes locally, nationally, regionally and globally in forms and ways that are culturally appropriate for them and that ensure equality and non-discriminatory access. In that regard, the Permanent Forum recommends that Member States and indigenous peoples involved in international regional cooperation forums exercise an inclusive and non-discriminatory approach towards indigenous peoples living in the countries and territories covered by such forums.
