Recommendations Database**

## **Addressee: IFAD, SPFII**

**Paragraph #168 Session #5 (2006)**

### **Full Text**

The Permanent Forum recommends that IFAD take the lead in a process whose aim would be to generate a global report on the status of indigenous peoples regarding their development with identity and dignity, as a complement to the proposed indigenous peoples' world status report.

### **Comments**

At this stage, IFAD cannot make a commitment with regard to recommendation 168.
