Addressee: UN system, Member States, Indigenous Peoples organisations, and intergovernmental organisations.

Paragraph #129 Session #4 (2005)

Full Text

The Forum decides to devote sufficient time during its fifth session to special events for the purpose of identifying the issues, challenges and positive measures of cooperation required to improve the situation of indigenous peoples in the above-mentioned regions (North America, the Arctic, the Pacific, Central and Eastern Europe, and Latin America) and invites the United Nations system, as well as relevant Governments, regional intergovernmental institutions and organizations, and indigenous peoples organizations to contribute to these special events

Comments

The Secretariat of the Permanent Forum on Indigenous Issues has organized special events on North America, the Arctic and Russia, Pacific, and Latin America at the Fifth session of the Permanent Forum
