Paragraph #40 Session #11 (2012)

Full Text

The Permanent Forum recommends that the full, effective and direct representation and participation of indigenous peoples, including their indigenous governments, councils, parliaments and other political institutions, should be ensured at all United Nations forums and multilateral and bilateral negotiations, and in the drafting processes of the corresponding emerging instruments, for example, those under discussion at the World Bank, the World Intellectual Property Organization (WIPO), the secretariat of the Convention on Biological Diversity. Such instruments must be harmonized with the Declaration, which is regarded as a reflection of the minimum human rights standards necessary for the promotion and protection of indigenous peoples, nations and communities. Such instruments should be consistent with or exceed those minimum standards.
