Addressee: Member States

Paragraph #78 Session #17 (2018)

Full Text

The 2030 Agenda is now in its third year of implementation. The Permanent Forum reiterates that countries undergoing voluntary national reviews at the high-level political forum on sustainable development should include indigenous peoples in their reviews, reports and delegations and invites States to report on good practices to the Forum at its eighteenth session.

Area of Work

Sustainable Development Goals (SDGs), VNRs
