Paragraph #104 Session #7 (2008)

Full Text

The Permanent Forum notes the valuable work carried out by indigenous communities and organizations thanks to the support of the trust fund in support of the Second International Decade and expresses its deep appreciation to the States that have contributed to the fund. However, the Forum deplores the fact that despite increasing project proposals, the funds available for grants have been diminishing. The Forum therefore strongly appeals to all States, the United Nations system, foundations and other donors to make generous contributions to the trust fund in support of the Second International Decade.
