Paragraph #82 Session #6 (2007)

Full Text

The Permanent Forum calls upon States that have created special national committees on the Second International Decade of the World's Indigenous People to cooperate more effectively with it, and would welcome invitations to attend activities of such national committees. The Permanent Forum encourages those States that have not yet done so to establish national committees on the Second International Decade of the World's Indigenous People.

Comments

The Bolivian government created a National Plan of Action and the Political Constitution that fully meets and complies with the goals, objectives and programme of action of the Second International Decade of the World's Indigenous People. The Government of Bolivia has implemented in sector ministries specific programmes for the achievement of the objectives of the Second Decade.
