Full Text

The Permanent Forum requests the Inter-Agency Support Group on Indigenous Peoples' Issues and, specifically, those agencies working on land tenure and changes in land use, to step up cooperation in order to operationalize indicators on land tenure and changes in land use pertaining to the traditional territories (lands and waters) of indigenous peoples, as a global multipurpose indicator in order to report on status and trends, in line with the Convention on Biological Diversity, the 2030 Agenda for Sustainable Development and the United Nations Declaration on the Rights of Indigenous Peoples.
