**Paragraph #112 Session #12 (2013)**

### **Full Text**

The Permanent Forum urges increased dialogue among Governments, institutions and indigenous peoples concerning the identification, incorporation and value of indigenous knowledge in all disaster risk reduction projects and programmes at the national and regional levels. The Forum recommends that the United Nations Office for Disaster Risk Reduction take into consideration the study on engaging indigenous peoples more inclusively in the disaster risk reduction process (E/C.19/2013/14) as part of the official documentation of the third World Conference on Disaster Reduction, to be held in 2015.
