Paragraph #40 Session #22 (2023)

Full Text

The Permanent Forum welcomes the adoption of the Kunming-Montreal Global Biodiversity Framework at the fifteenth meeting of the Conference of the Parties to the Convention on Biological Diversity. The Permanent Forum urges the Conference of the Parties to establish a commission, as early as possible, to monitor and evaluate the implementation of the Framework, especially its target 3 on protecting 30 per cent of the planet's land and water by 2030, with the full and equitable participation of Indigenous Peoples and respecting their rights to free, prior and informed consent. The establishment of robust grievance mechanisms is vital.
