Addressee: Conference of the Parties; Secretariat of the United Nations Framework Convention on Climate Change

Paragraph #43 Session #22 (2023)

Full Text

The Permanent Forum calls upon the Conference of the Parties and the secretariat of the United Nations Framework Convention on Climate Change to ensure that all reducing emissions from deforestation and degradation mechanism (REDD and REDD+) programmes and projects go through a full review, with the full and effective participation of Indigenous Peoples, to assess their validity. The parties to the Convention should adopt a grievance mechanism that allows Indigenous Peoples to identify and name non-State actors, corporations, United Nations entities, States and other organizations involved in setting up REDD programmes and projects that violate the rights of Indigenous Peoples.
