Addressee: Working Group on the use of mercenaries as a means of violating human rights and impeding the exercise of the right of peoples to self-determination

Paragraph #56 Session #22 (2023)

Full Text

The Permanent Forum invites the Working Group on the use of mercenaries as a means of violating human rights and impeding the exercise of the right of peoples to self-determination to conduct a study on the human rights abuses against Indigenous Peoples of the Sahel region by mercenaries and other non-State armed actors.

Area of Work

Human rights, Conflict Prevention and Peace
