Paragraph #20 Session #23 (2024)

Full Text

The Permanent Forum welcomes the proposal by the Government of the Plurinational State of Bolivia concerning a law on free, prior and informed consent. The Forum calls for this law to be adopted and to reflect the Declaration, ensuring the full and effective participation of Indigenous Peoples throughout the process and promoting the recognition of Indigenous Peoples' own free, prior and informed consent protocols.

Area of Work

Free, Prior and Informed Consent (FPIC)
