Paragraph #38 Session #23 (2024)

Full Text

The Permanent Forum notes the proactive measures of the Governments of Honduras and Indonesia to integrate Indigenous Peoples' rights within national land rights and environmental conservation frameworks. Furthermore, the Forum reiterates its concerns regarding the ongoing situation in West Papua, in particular the conflict with regard to Indigenous Peoples, and encourages the Government of Indonesia to extend invitations to United Nations special procedures mandate holders to conduct country visits.

Area of Work

Lands and Resources
