Addressee: Member States

Paragraph #93 Session #23 (2024)

Full Text

The Permanent Forum calls upon States to revise national public policies and programmes to include a culturally appropriate perspective, in particular in policies E/2024/43 E/C.19/2024/8 24-07820 17/28 and programmes for reproductive health services so that Indigenous women can receive quality health services.

Area of Work

Health, Indigenous Women, Culture
