Paragraph #120 Session #23 (2024)

Full Text

The Permanent Forum encourages parties to the Convention on Biological Diversity to ensure that progress is made with regard to institutional arrangements that guarantee human rights-based approaches to the Kunming-Montreal Global Biodiversity Framework, with the full and effective participation of Indigenous Peoples. In addition, the Forum calls upon the Conference of Parties to request its relevant subsidiary bodies to convene an ad hoc expert group meeting, with the participation of experts of the three United Nations mechanisms on Indigenous Peoples, to address the conflation of Indigenous Peoples with other groups of society and to develop specific actions to avoid such conflation.
