Addressee: Forest Tenure Funders Group

Paragraph #129 Session #23 (2024)

Full Text

The Forum regrets that Indigenous Peoples living in environmental ecosystems and latitudes other than tropical and subtropical forests are ineligible for funding, including the \$1.7 billion pledge made at the twenty-sixth session of the Conference of the Parties to the United Nations Framework Convention on Climate Change. The Forum advises the Forest Tenure Funders Group to promote a dialogue with United Nations mechanisms on the rights of Indigenous Peoples when defining the ongoing and future process of funding for Indigenous Peoples.
