Paragraph #132 Session #23 (2024)

Full Text

The Permanent Forum urges Member States and financial institutions to enhance direct financial support for Indigenous Peoples-led projects with funding mechanisms that are equitable, non-discriminatory, accessible, flexible and responsive to Indigenous Peoples' self-determined priorities across all seven sociocultural regions, without political impediments that could obstruct fair resource allocation. Such support should empower Indigenous Peoples to manage their environmental resources and engage in sustainable economic activities without reliance on intermediaries.
